

MEMBERSHIP FORM

The Membership Year of the Fife Family History Society runs between the 1st January and the 31st December annually. So - no matter what month of the year you joined the Society, **all memberships fall due for renewal on 1st January** (unless, of course, you have opted to pay for three years membership of the society).

The society has almost 600 members, which would create a huge job if we were to chase up those who are late making their subscription payments, so we do not always send out reminders. Members are advised that if they fail to make payment of their subscription(s) by 31st March, their names will be deleted from the Membership List and our Website.

Subscriptions can be made by Sterling Cheque (made payable to the Fife Family History Society), or by Paypal via our website www.fifefhs.org. Please note you do not have to have a Paypal account to pay this way. All members, UK and Overseas, now have the option to pay for three years subscription in one payment.

You can also pay direct into our bank account by BACS payment:

Sort code: 80 17 33
 Account no: 00345550
 Account name: Fife Family History Society

If you are renewing, please put your membership no as reference.
